## Free and Low Cost Opioid Use Treatment Options in Granville and Vance Counties

Mental health and substance abuse disorders affect millions of Americans each year, but there are several local organizations that provide hope and healing. If you or someone you know is experiencing a mental health crisis and wishes to know what resources to access **call the behavioral health resources line (1-800-849-6127; Vaya Health Services).**

For additional resources on behavioral health services in the area, please scan this QR code:

### Important Opioid Use Call Lines (Connect to someone 24/7)

- **Any medical emergency (911):** If you see someone overdosing or experiencing any other medical emergency, always call 911.
- **Suicide and Crisis Lifeline (988):** The 988 Lifeline provides free and confidential support for people in distress, prevention and crisis resources for you or your loved ones.
- **RHA Health Services Mobile Crisis(1-844-709-4097):** Mobile Crisis services provide intensive, on-site response, stabilization and intervention for people of all ages who are experiencing a crisis due to mental health disturbances, developmental disabilities, or addiction.
- **Never Use Alone line(1-800-484-3731.):** If you're going to use when you're alone. An operator will ask for your name, exact location, and the number you're calling from. If you stop responding after using, they will notify EMS of an "Unresponsive Person" at your location.
- **North Carolina Harm Reduction Council, Mobile Outreach Worker in Granville and Vance Counties (1-910-262-2496):** If you are in need of sterile injection supplies, safe syringe disposal, naloxone, fentanyl tests, safer sex supplies, wound care supplies, peer support and health referrals.

### Opioid Use FAQs

#### What are signs of opioid overdose?

- Face is extremely pale and/or feels clammy to the touch.
- Body goes limp.
- Fingernails have a blue or purple color.
- Vomiting or making gurgling noises
- Cannot be awakened or is not able to speak.
- Breathing or heartbeat slows or stops.

#### What is Narcan?

Narcan (naloxone) is a drug given to quickly reverse an overdose from opioids and restore breathing. Naloxone is available at most pharmacies without a prescription, and often covered by insurance.

#### What is the NC 911 Good Samaritan Law?

North Carolina's 911 Good Samaritan Law states that people who have a drug overdose or people who see someone overdose and get help for them can no longer be prosecuted for possession of small amounts of drugs, paraphernalia or under-age drinking.
